## EUROMEDIC ACQUIRES “INSTITUT de RADIOLOGIE” DIAGNOSTICS IN MARTIGNY, SWITZERLAND

Euromedic has announced the completion of its acquisition of “Institut de Radiologie“ Diagnostics (IRM) a multi-modality Radiological Diagnostics Centre in the city of Martigny, Canton of Valais in Switzerland.

IRM Diagnostics is a well established brand with over 10 years of distinguished service to the community. The centre provides a complete range of high quality diagnostic imaging services including: Magnetic Resonance Imaging (MRI), Computerized Tomography (CT), Mammography, Ultrasound and Conventional Digitalized Radiology.

The centre is led by the distinguished Radiologists, Dr. Bertrand Closuit and Dr. Gerald Cherpillod (Co-Founders) and together with their team of 13 medical professionals perform over 8,000 investigations annually.

Euromedic now owns and operates a network of 197 medical centres (100 Diagnostic, 63 Dialysis, 32 Clinical laboratories and two Cancer Treatment Centres) in 15 countries in Europe, including nine in Switzerland.
