## EUROMEDIC OPENS A NEW DIALYSIS CENTRE IN PLONSK, POLAND

Euromedic announced the opening of its newest dialysis centre in Plonsk, Poland. The centre is located on the grounds of the Regional Medical Hospital in Plonsk and was developed as a green field project (PPP Public-Private-Partnership). Following a privatization tender.

IDC Plonsk has the capacity to treat 72 patients on a regular basis. The centre has 12 haemodialysis machines and with its staff of 18 medical professionals will perform over 11,000 dialysis treatments annually.

Euromedic is the market leader in private dialysis service in Poland. Euromedic owns and operates 177 medical centres (92 diagnostics, 55 dialysis, 29 clinical laboratories and one Radiotherapy centre) in 15 countries in Europe.
