EUROMEDIC OPENS ITS EIGHTH DIALYSIS CENTRE IN ROMANIA IN BAIJA MARE

Euromedic announced the completion of its eighth dialysis centre in Romania in the city of Baia Mare (population of over 140,000 inhabitants). The centre is located in the main part of the city, in the northwestern part of Romania.

IDC Baia Mare opened with 153 patients (131 haemodialysis and 22 peritoneal dialysis) that receive treatments on a regular basis. The centre which is part of Euromedic's "Nefromed" chain in Romania is equipped with state-of-the-art haemodialysis equipment and water purification systems. The centre has 35 haemodialysis machines and with a staff of 36 medical professionals will perform over 23,000 treatments annually.

Euromedic owns a network of 199 medical centres (100 Diagnostic, 65 Dialysis, 32 Clinical Laboratories and two Cancer Treatment Centres) located in 15 countries around Europe of which 16 centres are in Romania (eight Radiological Diagnostics and eight Haemodialysis).
