EUROMEDIC ACQUIRES A NEW DIALYSIS CENTRE IN THE MARMARA REGION OF TURKEY

Euromedic announced the completion of its acquisition of a new dialysis centre in the Marmara Region of Turkey. The centre is located in the town of Inegol, which is part of the very historic and scenic Marmara Region.

IDC Inegol treats 165 patients on a regular basis and has capacity to treat visiting patients during the holiday season. The centre currently utilizes 30 haemodialysis machines and with their staff of 39 medical professionals performs over 25,000 treatments annually. The company owns and operates 14 dialysis centres in Turkey and treats over 1,400 patients on a regular basis.

Euromedic now owns and operates a pan-European network of 182 Medical Centres (91 Diagnostics, 59 Dialysis, 31 Clinical Laboratories and One Cancer Treatment Centre) in 15 countries around in Europe.
