EUROMEDIC ACQUIRES "GIVISION" DIAGNOSTICS IN THE CANTON OF FRIBOURG, SWITZERLAND

This week, Euromedic has announced the completion of its acquisition of "GIVISION" Diagnostics in the Canton of Fribourg, Switzerland. The acquisition includes three modern multi-modality diagnostic centres located in the cities of Givisez, Bulle and Tafers. The company also provides diagnostic reading services for a hospital located in the city of Daler.

GIVISION Diagnostics which was founded in 2001, is a well recognized and distinguished imaging diagnostics company. The company and its team of 31 medical professionals including a highly respected team of Radiologists (Dr. Forat Sady (Founder), Dr. Jurg Scheidegger, Dr. Aissa Boudrama, Dr. Mauro Pugnale, Dr. Colette Bounameaux and Dr. Ridha Rezig) perform over 18,000 diagnostics investigations annually.

Euromedic owns and operates 195 medical centres (98 Diagnostic, 63 Dialysis, 32 Clinical Laboratories and Two Cancer Treatment Centres) located in 15 countries in Europe.
