EUROMEDIC ACQUIRES “DIAGNOSTIC HEALTH” CENTRE IN CORK, IRELAND

Euromedic has announced the completion of its acquisition of “Diagnostics Health Ltd.” a multi-modality Radiological Diagnostics Centre in Cork, the second largest city in Ireland.

Diagnostic Health Centre is a well established brand with over 15 years of distinguished service to the community. The company offers a range of high quality diagnostic imaging services including: Mammography, Dexa (Bone Densitometer), Ultra-sound and X-ray.

The centre is lead by the (Co-owners) Radiographers Sandra O’Donnell and Peter C. Murphy, who collectively have nearly 30 years of radiography experience between them and together with their team of 10 medical professionals perform 12,000 investigations annually.

Following the acquisition, Euromedic now owns and operates a nationwide network of medical centres including: seven Diagnostic Centres and one Clinical Laboratory in the country.

In a few months, the centre will re-locate to a larger facility in the close vicinity and will expand its Radiological services to include: Magnetic Resonance Imaging (MRI) and Computerized Tomography (CT).
