EUROMEDIC OPENS ITS FIFTH DIALYSIS CENTRE IN ROMANIA IN TIMISOARA

Euromedic announced the completion of its fifth dialysis centre in Romania in the city of Timisoara. The centre was newly built in the center of the city which has a population of nearly 80,000 inhabitants.

IDC Timisoara opened with 202 patients (148 haemodialysis patients and 54 peritoneal dialysis patients). The centre which is part of Euromedic's "Nefromed" chain in Romania is equipped with state-of-the-art haemodialysis equipment and water purification systems. The centre has 38 haemodialysis machines and with a staff of 40 medical professionals performs over 26,000 treatments annually.

This latest addition extends Euromedic's network of medical centres to 181 (91 Diagnostic, 58 Dialysis, 31 Clinical Laboratories and ONE Cancer Treatment Centre) located in 15 countries around Europe.
