## EUROMEDIC OPENS NEW DIALYSIS CENTRE IN LAKTASI, BOSNIA AND HERZEGOVINA

Euromedic announced the opening of its third dialysis centre in Bosnia and Herzegovina in the town of Laktasi. The centre was developed in co-operation with the local government as a Green Field Project.

IDC Laktasi will treat 90 patients on a regular basis and is equipped with state-of-the-art haemodialysis equipment and water treatment systems and has the capacity to expand its base of operation to 160 patients. The centre has 16 haemodialysis machines and this year with a staff of 10 medical professionals will deliver in excess of 14,000 treatments.

This latest addition extends Euromedic's network of medical centres to 171 (91 Diagnostic, 53 Dialysis and 27 Clinical Laboratories) in 15 countries around Europe.
