EUROMEDIC OPENS ITS THIRD DIALYSIS CENTRE IN ROMANIA IN SIBIU

Euromedic announced the completion of its third dialysis centre in Romania in the city of Sibiu. The centre was newly built in the center of the city which has a population of 155,000 inhabitants.

IDC Sibiu opened with 31 ESRD patients that will receive dialysis treatments on a regular basis. The centre is equipped with state-of-the-art haemodialysis equipment and water purification systems and has the capacity to expand its base of operation to 100 patients. The centre has 30 haemodialysis machines and this year with a staff of 12 medical professionals will perform nearly 5,000 treatments annually.

This latest addition extends Euromedic's network of medical centres to 178 (90 Diagnostic, 56 Dialysis, 31 Clinical Laboratories and ONE Cancer Treatment Centre) located in 15 countries around Europe.
