EUROMEDIC ACQUIRES “HISTOCYT” LABORATORY IN THE CZECH REPUBLIC

Euromedic International announced the completion of its acquisition of “HISTOCYT” laboratory in the city of Čáslav, Eastern part of the Czech Republic.

HISTOCYT laboratory has a well recognized and respected brand image having served the community for over 16 years. The company provides laboratory examinations in the range of biopsies and cytology and has a license to perform specialized investigations. This year the lab with its staff of 8 medical professionals will perform over 39, 000 clinical examinations.

This latest acquisition extends Euromedic’s network of medical centres to 186 (92 Diagnostics, 60 Dialysis, 32 Clinical Laboratories and TWO Cancer Treatment Centres) located in 15 countries around Europe.
