## EUROMEDIC OPENS ITS FOURTH DIALYSIS CENTRE IN BOSNIA and HERZEGOVINA IN EAST SARAJEVO

Euromedic announced the opening of its fourth dialysis centre in Bosnia and Herzegovina in the city of East Sarajevo. The centre was developed in co-operation with the local government as a Green Field Project.

IDC East Sarajevo will treat in the beginning 45 patients on a regular basis and is equipped with state-of-the-art haemodialysis equipment and water treatment systems and has the capacity to expand its base of operation to 90 patients. The centre has 13 haemodialysis machines and this year with a staff of 17 medical professionals will deliver in excess of 7,000 treatments.

With a total of four dialysis centres Euromedic Bosnia now provides dialysis services for nearly 550 patients in the Republic of Srpska.

This latest addition extends Euromedic's network of medical centres to 173 (92 Diagnostic, 54 Dialysis and 27 Clinical Laboratories) in 15 countries around Europe.
