EUROMEDIC ACQUIRES “CIMED” ITS FIFTH DIAGNOSTIC CENTRE IN SWITZERLAND

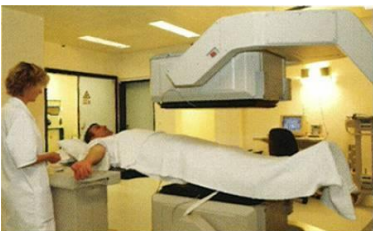

Today, Euromedic announced it's network expansion in Switzerland with the acquisition of “Centre d'Imagerie medicale SA” (CIMED) Diagnostics Centre located in Fribourg, Switzerland. The centre is a modern multi-modality diagnostic centre with a highly respected reputation for providing state-of-the-art quality imaging services having served the community for over five years.

“CIMED” provides a wide range of diagnostic procedures including: Magnetic Resonance Imaging (MRI), Computerized Tomography (CT), Ultrasound, Digital X-rays, Nuclear Medicine (Gamma Camera), Invasive Radiology, Radio pediatrics and Mammography. The centre headed by Dr. Antoine M'Baya and his team performs over 25,000 diagnostic investigations annually. The centre was purchased from Mutuel Insurance Company which will cooperate in the future with Euromedic.

Euromedic owns and operates a pan-European network of 158 medical centres (79 Diagnostic, 51 Dialysis and 28 Clinical Laboratories) in 15 countries in Europe.
