## **FIVE HUNDRED PARTICIPANTS ATTEND MEDICAL SYMPOSIUM ORGANIZED BY EUROMEDIC GREECE**

On July 2nd, Euromedic Greece & Chania Medical Association organized a very successful medical symposium about Acute Vascular Stroke with 500 attendees .

The symposium took place at the Old Harbor of Chania City and among the speakers were Euromedic Medical Director Dr. Liasis , IMC Chania Chief Radiologist Dr. Efthimiadis, Neurosurgery Professor Dr. Volikas, Chania Hospital Chief Neurologist Dr. Georgakakis & Chief Neurosurgeon Dr. Archontakis.

The majority of Chania Medical Community, the Prefect Lord, the City Mayor and many representatives of the local authorities attended, while it was extensively covered by the local media (TV and newspapers).

During the symposium Euromedic was able to promote the advanced diagnosis offering of our local center.
