EUROMEDIC OPENS A NEW DIALYSIS CENTRE IN GNIEZNO, POLAND

Euromedic announced the opening of its newest dialysis centre in Gniezno, Poland. The centre is located in the Regional Medical Hospital of Gniezno and was developed as a green field project (PPP Public-Private-Partnership). Following a privatization tender.

IDC Gniezno has the capacity to treat 72 patients on a regular basis. The centre has 12 haemodialysis machines and with its staff of 21 medical professionals will perform over 11,000 dialysis treatments annually.

Euromedic is the market leader in private dialysis service in Poland. Euromedic owns and operates 150 medical centres (73 diagnostics, 48 dialysis and 29 clinical laboratories) in 14 countries in Europe.
