## EUROMEDIC ACQUIRES ITS FIRST DIAGNOSTIC CENTRE IN CROATIA - IN SPLIT

Euromedic announced the acquisition of “Poliklinika Kalajžić” Diagnostic Centre in Split, Croatia. The acquisition includes a modern multi-modality diagnostic centre and outpatient department located in the second largest city of Croatia. The company which was established in 1993 has earned a highly respected reputation having served the community for over 15 years. This is the first diagnostic centre of Euromedic in Croatia.

The centre provides a wide range of diagnostic and outpatient procedures including: Magnetic Resonance (MRI), Computerized Tomography (CT), Ultrasound, X-Rays, Mammography and Neurological exams. The centre headed by Dr. Kalajžić and his highly qualified team of 20 medical professionals perform nearly 40,000 diagnostic investigations annually.

Euromedic owns and operates a network of 166 medical centres (87 Diagnostics, 51 dialysis and 28 laboratories) located in 15 countries in Europe.
