EUROMEDIC ACQUIRES “AXONIKOS KOZANI S.A.” CT CENTER IN KOZANI, GREECE

Euromedic announced its network expansion in Greece with the acquisition of Axonikos Kozani SA, Computerized Tomography (CT) Center in the city of Kozani, North Greece. The centre was established in 1992 and was the first CT Center in Kozani and broader West Macedonia area.

Euromedic Country President Mr. Dimitris Moulavasilis signs the acquisition agreement with Dr. Kosmas Pagianidis

“Axonikos Kozani” headed by Dr. Pagianidis and his team perform more than 8,000 CT investigations per year and the centre is recognized as the regional reference center for CT investigations. This latest acquisition will strengthen Euromedic’s position in West Macedonia where currently the company operates IMC Kozani, a multi-modality centre with all imaging modalities except CT. In the future, Euromedic plans to merge the operation of “Axonikos Kozani” center with IMC Kozani and provide a complete solution in radiology imaging investigations and benefit from the synergies of the two centers. Euromedic owns and operates a pan-European network of 167 medical centers (88 diagnostics, 51 dialysis and 28 laboratories) located in 15 countries in Europe.
