MEGA DEAL: EUROMEDIC ACQUIRES 32 DIAGNOSTIC AND LABORATORIES IN PORTUGAL

Euromedic has announced the completion of its acquisition of “CIENTIA Medical Group” which is headquartered in Lisbon, Portugal. The acquisition includes 32 centres (18 Clinical Laboratories and 14 Diagnostic Centres) located principally in the Central Regions of Portugal. The diagnostic centres are multi-modality diagnostic facilities offering a wide range of Imaging services. The Clinical Laboratories and 267 collection points many of which are located in the same cities as the diagnostic centres offer a complete line of clinical laboratory investigations.

“CIENTIA Group” and its subsidiary companies have well established brand names as distinguished, professional Medical Services providers with over a decade of dedicated service in Portugal. The group together, with the seven Medical Centres that Euromedic has already acquired in Portugal, will become one of the largest private Medical Services provider in the Country. The CIENTIA Group, with its team of nearly 300 medical professionals receives over 2,000 patients per day and completes over 4.0 million Diagnostic / Laboratory examinations per year.

The company provides a complete range of Outpatient, Diagnostic and Laboratory services including: CT, MRI, Mammography, Internal Medicine, Echotomography, Echography, Digital X-ray, Bone Densitometry, Cardiology and complete line of clinical laboratory services.

Euromedic owns and operates a network of 142 medical centres (68 Diagnostic, 45 Dialysis and 29 Laboratories) in 14 countries in Europe.
