EUROMEDIC OPENS ITS SEVENTH DIALYSIS CENTRE IN THE RUSSIAN FEDERATION, IN ASTRAKHAN

Euromedic announced the opening of its latest state-of-the-art dialysis centre in Astrakhan, Russia. The centre is located in the historic city of Astrakhan on the shores of the Caspian Sea.

IDC Astrakhan currently treats 60 patients on a regular basis and has the capacity to accommodate large numbers of visiting patients during the summer months. The centre has 14 haemodialysis machines and this year with a staff of 17 medical professionals will deliver over 9,000 treatments annually.

Euromedic is the largest private dialysis service company in Russia, providing services to over 1,200 patients. Euromedic owns and operates 151 medical centres (74 diagnostics, 49 dialysis and 28 clinical laboratories) in 14 countries in Europe.
