EUROMEDIC ACQUIRES “NORTHWOOD IMAGING” IN DUBLIN, IRELAND

Euromedic has announced the completion of its acquisition of “Northwood Imaging” Radiology and MRI Centre, a state-of-the-art multi-modality diagnostics centre located in the charming woodlands of Santry Demesne; Dublin, Ireland. “Northwood Imaging” which was established in April 2005 is a well recognized imaging diagnostic company. The company and its team of 22 medical professionals including a highly respected team of seven Irish Radiologist (Dr. Ronan Browne, Dr. Samuel Hamilton, Dr. Eric Colhoun, Dr. William Torreggiani, Dr. Roman Browne, Dr. Martin Ryan, Dr. Sean McKenna and Dr. Brian McGlone) have provided diagnostic imaging services to more than 28,000 patients.

The company provides a wide range of diagnostics procedures including: Magnetic Resonance Imaging (MRI), Digital Radiology, Ultrasound, DXA Scan and Panoramic Dental Radiology. The “Northwood Imaging” centre joins the additional six diagnostic centres acquired earlier by Euromedic in Ireland. Euromedic’s network of medical centres has expanded to 104 (65 diagnostic and 39 dialysis) in 14 countries around Europe.
