NEW SATELITE DIAGNOSTIC CENTRE HAS OPENED IN PASCANI, ROMANIA

Euromedic has opened its 6th Imaging Diagnostic Centre in Pascani, Romania. This newest addition is located in the city of Pascani, Iasi County (Moldova Region), in the northeast part of the country.

IMC Pascani will serve as a satellite centre to the larger centre of Iasi which will become operational in October and will provide contract CT services for the Local Health Insurance, as well as private patients. The centre will employ 8 medical professionals and perform over 5,000 investigations per year.

Euromedic's now owns and operates 172 medical centres (92 diagnostics, 53 dialysis and 27 clinical laboratories) in 15 countries in Europe.
